Important Dental Insurance Information

Understanding your dental coverage can be quite challenging, our goal is to assist you in maximizing your insurance benefits. We care for patients with coverage from many different companies. Each company has its own schedule of benefits and exclusions. Which means each company may pay a different amount for a specific procedure. We encourage you to become familiar with your dental insurance plan. We accept PPO and Indemnity Insurance. We are **In-Network Providers** for: **Delta Dental, MetLife, United Healthcare, UMR, Lincoln Financial, and Aetna.**

INSURANCE

It is the **PATIENTS** responsibility to understand their insurance coverage. We suggest that you call your insurance company prior to your visit so that you better understand your coverage and limits to your benefits. **We cannot bill your insurance company unless you give us your current insurance information.** We will not falsify records, as this is against the law.

As a courtesy to you, we will:

- Research your dental insurance plan to advise you as best we can concerning your insurance policy and benefits.
- File your insurance benefits within 24 hours of your dental visit.
- Re-file your insurance claim if we do not receive payment within 30 days.

What we require of you as owner of the policy:

- Payment of your portion at your appointment.
- Permission to release information to the dental insurance company regarding your treatment in this office.
- Authorization for the insurance company to pay dental benefits to: **Corey J. Walther, DDS.**
- Realizing that the portion that we quote the insurance company to cover is just an estimate. Even though we research your insurance policy, the insurance company will make the final decision once they review the claim.
- You are responsible for the balance if we are unable to collect payment from the insurance company.
- Notifying us of any change in dental coverage or change in insurance company.
- Due to the number of patients in our practice with dental insurance it is impossible for us to keep track of everyone's individual dental maximum. Please keep track of the dental benefits that you have used.
- There will be a charge of \$25 for any returned checks.

Thank you for your cooperation with your dental insurance coverage. Again we will do all we can to see that you receive the maximum benefits from your insurance company.
